

3 1 0 0 3 A T M

Shown with optional High Topper

The Tidel EasyPoint 3100 ATM from NCR EasyPoint is engineered to provide a value priced, low-cost, high reliability cash dispenser. It includes a wealth of features that are usually available only in higher end models.

With its UL 'Listed' vault, Visa Encrypting PIN Pad (VEPP) and Triple DES (3DES) compliance, the 3100 provides you with the security you have come to expect from Tidel EasyPoint ATMs. NCR EasyPoint has also streamlined the 3100's depth footprint to free up additional valuable floor space.

The 3100 is a versatile platform which includes the MCDM III dispenser that allows for future expandability in the field while minimizing upgrade costs. It is clear to see why the 3100 is the leader in features and value in the retail ATM market.
